Gary welcomed everyone and gave a summary of this project.

Terry introduced the village members: Kari and Amanda. He emphasized the important role this plan has in regards to grants.

Eric talked about the importance of updating the Comprehensive Plan and that it has been 20 years since last Comprehensive Plan was written.

Eric introduced Marcia, Gary, (Nancy on phone).

Gary introduced Allison and Aaron from Central NY Regional Planning.

Gary gave a summary of the process to date.

Marcia spoke of the importance of the plan and the public participation. That there are 3 groups all working on Plans within our community right now and this could cause confusion, we need participation with all three. Various members of this committee participate with the other plans, allowing us great communication between the three.

16 Community leaders participated. Thank you to all who participated.

Committee duties .

It was decided to leave workshops on the 3rd Wednesday of each month at 5:00 PM and these are always optional.

Additional discussion from Committee members.

Nancy wants people to understand we are extremely invested in this process.

Public Comment period.
