The board discussed considerations for possible moratorium on renewable energies (solar, wind, other) citing the local laws requiring updates. There are other local laws in need of updates as well, such as home businesses. Toth reminded the board that we need a committee to work on land use/zoning to go with the Comprehensive Plan. Weber will send a note about this tonight to the people who volunteered for this committee.

A motion was made by Councilor Toth and seconded by Councilor Davies-Buckley to adjourn at 7:09 pm. The motion was approved by a vote of 3 ayes: Davies-Buckley, Toth, Weber and 0 nays.
